(p) The institutional head shall review findings of the Grievance cell when appealed. The institutional head may affirm or overturn the decision of the Grievance cell, or modify the sanctions imposed.

xiii. It may be noted that: - "Where the atmosphere of the university campus is adverse to the conduct of peaceful, free and fair elections, the university must initiate a system of student representation based on nominations, especially where elections are being held at present. It would be advisable, however, not to base such nomination system on purely academic merit, as is being practised throughout the country. The Vice-Chancellor may note the above observation of the Supreme Court. They may take into consideration the assessment of Staff Committee/PG Council as the case may be, and take a decision on a case to case basis to take decision to follow the nomination option during 2026-27, rather than election, limiting to such cases of serious nature where conduct of election is not possible due to the atmosphere prevailing in such /University.

xiv. Any instance of acute lawlessness or the commission of a criminal offence shall be reported to the police by the University authorities as soon as possible, but not later than 6 hours after the alleged commission of the offence.

Additionally, the District Nodal Officers, appointed by the Higher Education Department vide Letter No. 50596 dated 21.09.2026, shall oversee and monitor the conduct of the Students' Union/Students' Association Election in the institutions falling under their respective jurisdictions and ensure adherence to the prescribed guidelines and election schedule.

All concerned are requested to ensure strict compliance with the above schedule and guidelines. This is for your kind information and necessary action.
